OPERATION LOCK-STEP – The Sinister Agenda behind Covid-19

(https://behind-the-news.com/operation-lock-step-the-sinister-agenda-behind-covid-19/) The entire world is confused, helpless, and living in fear over the past month, as the hype over the Covid-19 virus mounts. Why is this happening? And, most importantly, WHO BENEFITS? As the author explained in a previous article, this was an engineered virus, used as a bio-weapon, for geopolitical advantage.

Every day the world's mainstream news reports more people in more countries diagnosed "positive" for the coronavirus illness, now called COVID-19. As the reported numbers grow, so does widespread nervousness, often in the form of panic shopping for masks, disinfections, toilet paper and canned goods. We are told to accept the testing results as science-based. While it is next to impossible to get a full picture of what is taking place in China, the center of the novel virus storm, there is a process**,** being fed by mainstream media accounts and genuine panic in populations unclear what the real dangers are, that has alarming implications for the post-pandemic future**.**

What is being done in city after city and country after country is cancellation of major events where many people come together**.** This has included major sports events and trade shows being canceled. Major airlines are being financially devastated as people around the world cancel holiday flights, as are cruise ship lines. China orders burning of cash notes claiming they might be contaminated. Many firms are not accepting cash, only cards, as paper might be contaminated. WHO warns about paper money contagion risk. Countries

are introducing laws such as in the UK allowing legal detention of citizens who might have a virus. Growing media promotion in the West of shop shelves bare of everyday essentials such as rice, pasta and toilet paper is feeding panic buying everywhere.

Eugenics & the Rockefellers

Let's deal with certain facts. The Rockefeller family has been in the forefront of eugenics-the science of population control, since 1902. In 1952, David Rockefeller's eldest brother John established the Population Council. In the subsequent decades, the eugenics program developed, tested, and implemented various bio-warfare tools, as a means of controlling population growth. Since then, efforts at creating the necessary infrastructure, research bodies, lab testing and experimentations, have proceeded till the present day. Documentation has proved that biological warfare is a reality, and that the United States is in the forefront of this. Although other nations have the capability, to some degree, none is as advanced as the US is, in this field.

The Rockefeller Family first entered the oil business, in 1865, when it was only 6 years old. No other family knows the oil industry like them; in fact, they know it cold.

Crude oil is processed in a refinery, and some of that is used as a basic feedstock in petro-chemical plants. These petro-chemical plants produce a variety of products, some of which are used as feedstock in chemical plants. These chemical plants, in turn produce a variety of products, and some of them are used as a basic feedstock to produce pharmaceuticals. So, in short, the family controls the global oil industry, as well as the largest chemical and pharma companies. There is nothing wasted in any of these processes. The first insecticide was FLIT, invented in 1923, and mainly intended for killing flies and mosquitoes, was mineral oil based and manufactured by the Standard Oil, now known as Exxon – a Rockefeller company. Since then, many other chemical/oil based products have been made into medicines, and other chemicals that are harmful to human health.

By the end of 1945, the dominant force in America was the 5 Rockefeller brothers. Their mandate was to take control of the entire globe, and to eliminate any rivals on its quest for global dominance.

Even Adolf Hitler's extermination policies against Jews and other minorities, was funded by the Rockefeller family. Starting in the late 1960s and early 1970s, the first fruits of their research yielded the AIDS virus, which devastated many Third World nations. This was followed by more exotic viruses such as SARS, MERS 2000, Ebola, the Avian flu, etc.

Regarding the Covid 19 virus, the authors are the same. And the targets are all economic and geopolitical rivals of the US. China and Iran we understand. Italy was because of its tie-up with China's BRI program. The Italians refused to back out of this deal with China, hence it was targeted. In Iran's case, we find a strange phenomenon, in that senior government and parliamentary officials have been targeted.

In the last 15 years, China was seen as an emerging rival to the US, and its controllers-the Rockefeller family. China underwent several acts of economic and financial warfare from the US. In recent trade negotiations, in order to make China kneel fast, the family launched the Covid 19 virus on China. Then Iran and Italy suffered the same fate.

The UN is a Rockefeller entity. The WHO is a part of the UN apparatus, and we find that WHO was very quick to issue a pandemic alert, when there is zero proof of it. The common flu has claimed more lives in the past two months than the Covid 19 virus. So, we find that these power brokers are playing a dangerous game here. In 2003, media spread fear-mongering about a SARS pandemic proved way overblown, 800 deaths reported after hysteria subsided. In the same year, 42,643 people in the US were killed in 6,328,000 police-reported motor vehicle accidents, 2,889,000 people injured.

In 2009, the WHO falsely predicted a global Swine flu H1N1 pandemic that could affect "as many as two billion people over the next two years." At the time, evidence suggested that the H1N1 strain was bio engineered in a US laboratory, vaccines produced for it extremely hazardous and potentially lethal. No national or global emergency existed. No pandemic or epidemic occurred. The CDC estimated that from 8,330 to 17,160 deaths resulted from the strain.

Fear-mongering at the time aimed to convince people to take experimental, untested, toxic and extremely dangerous vaccines that can damage the human immune system and cause health problems ranging from annoying to life-threatening. A similar scenario is in play today.

The US had an active biological warfare program since at least the 1940s. In 1941, it implemented a secret program to develop offensive and allegedly defensive bioweapons using controversial testing methods. During WWII, the US Chemical Warfare Services began mustard gas experiments on about 4,000 servicemen.

In 1945, the US Atomic Energy Commission (AEC) implemented “Program F.” It was the most extensive US study of the health effects of fluoride – a key chemical component in atomic bomb production. It’s one of the most toxic chemicals known, risking harm to the central nervous system. Yet low concentration amounts are in drinking water and toothpaste, little or nothing reported officially or by establishment media on its toxicity.

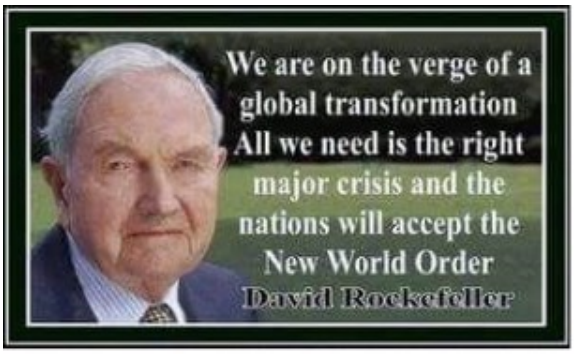
Since at least the 1940s, VA patients were guinea pigs for medical experiments.

The Pentagon earlier released biological agents in US cities to learn the effects of germ warfare in populated areas, tests done secretly. In 1953, the CIA initiated Project MKULTRA – a multi-year research program to test drugs and biological agents for mind control and behavior modification, unwitting human subjects used. From the 1960s at least through the 1980s, the US used biological agents against Cuba. During the Vietnam War, the Pentagon’s use of hugely toxic Agent Orange and sarin nerve gas killed, disabled, or caused chronic illnesses for millions, mainly civilians.

In all US wars, radiological, chemical, biological and other banned weapons are used, inflicting a devastating toll on people in targeted areas.

Is the coronavirus a bioweapon? The answer is YES! Most likely, it’ll be contained in the weeks ahead, reported numbers of individuals infected falling, not rising. When all is said and done, ongoing fear-mongering will likely prove to be a bonanza for Big Pharma. As for the coronavirus, it may end up a footnote in medical history — thousands affected in China, not millions, mainly in and around Wuhan, small numbers elsewhere.

The Rockefeller Foundation 2010 Report



We are on the verge of a
global transformation
All we need is the right
major crisis and the
nations will accept the
New World Order
David Rockefeller

The ROCKEFELLER FOUNDATION

But, what has emerged recently is quite sinister. The reaction by western governments on this virus issue has been closely following the guidelines as per the 2010 report. Here it is useful to go back to a highly relevant report published a decade ago by the Rockefeller Foundation, one of the world's leading backers of eugenics, and creators of GMO among other things.

The report in question has the bland title, **"Scenarios for the Future of Technology and International Development**." It was published in May 2010 in cooperation with the Global Business Network of futurologist Peter Schwartz. The report contains various futurist scenarios developed by Schwartz and company.

One scenario carries the intriguing title, "LOCK STEP: A world of tighter top-down government control and more authoritarian leadership, with limited innovation and growing citizen pushback." Here it gets interesting as in what some term predictive programming.

The Schwartz scenario states,

"In 2012, the pandemic that the world had been anticipating for years finally hit. Unlike 2009's H1N1, this new influenza strain — originating from wild geese — was extremely virulent and deadly. Even the most pandemic-prepared nations were quickly overwhelmed when the virus streaked around the world, infecting nearly 20 percent of the global population and killing 8 million in just seven months…"

He continues,

"The pandemic also had a deadly effect on economies: international mobility of both people and goods screeched to a halt, debilitating industries like tourism and breaking global supply chains. Even locally, normally bustling shops and

office buildings sat empty for months, devoid of both employees and customers.” This sounds eerily familiar.

Then the scenario gets very interesting:

“During the pandemic, national leaders around the world flexed their authority and imposed airtight rules and restrictions, from the mandatory wearing of face masks to body-temperature checks at the entries to communal spaces like train stations and supermarkets. Even after the pandemic faded, this more authoritarian control and oversight of citizens and their activities stuck and even intensified. In order to protect themselves from the spread of increasingly global problems — from pandemics and transnational terrorism to environmental crises and rising poverty — leaders around the world took a firmer grip on power.”

A relevant question is whether the Rockefeller Empire , are using the widespread fears around the COVID-19 to advance an agenda of “lock step” top down social control, one that would include stark limits on travel, perhaps replacing of cash by “sanitary” electronic cash, mandatory vaccination even though the long term side effects are not proven safe, unlimited surveillance and the curtailing of personal freedoms such as political protests on the excuse it will allow “identification of people who refuse to be tested or vaccinated,” and countless other restrictions.

In addition, many countries have shut down schools and universities, thus increasing the uncertainties, and spreading even more fear amongst the populations of these countries.

Much of the Rockefeller 2010 scenario is already evident. Fear is never a good guide to sound reason. Many people would gladly surrender some of their liberties, in exchange for peace and stability. This is what the game-plan is all about. How much liberty will people give up?

Too much hype and limited facts; the conclusion is that there is 99% fear, and 1% facts. The main stream media are scant with information.

We will wait and see what the Rockefeller network of power and its controlled governments are going to unravel next, in terms of gaining more control over people. A number of such incidents, financial crashes, economic upheavals,

wars, etc., all have a single purpose in mind – the establishment of a one world government, dominated and controlled by Rockefeller men and money.

The worldwide fear of a hitherto unknown but supposedly highly contagious and weapons-grade virus means that many people feel paralyzed , public life in several states is crippled by governments, at the same time fundamental civil liberties are “honed” or severely restricted and also the military is brought into readiness. What is going on here?

The guidelines that are being enacted globally are following closely the script laid down in the 2010 Rockefeller report. As noted, France and Italy have now progressed to the next level, called LOCK DOWN; wherein the governments are enforcing a stay-at-home policy. This is being backed up by using police and the army. This LOCK DOWN step will be implemented in many other countries. What is happening now was inconceivable two months ago.

The former Soviet head of state Mikhail Gorbachev recently described the current political situation as extremely worrying. According to “Sputnik News” of 12.03.20 he wrote*:* “War is in the air.”

A further report from 9 March makes one sit up and take notice: Two months before the outbreak of the coronavirus in the Chinese city of Wuhan, a group of experts (on the payroll of the Rockefeller Group, such as Bill Gates and Johnson & Johnson) conducted the pandemic simulation “Event 201”, which was organized by John Hopkins University in the US and came to alarming results. The aim was to test how governments and authorities would behave in the event of a global pandemic with “potentially catastrophic consequences” and what effects it could have.

Has the ruling “elite” agreed to conduct a long-planned laboratory experiment with the civil society of the countries worldwide at the beginning of 2020? Which states and institutions are responsible for participating in this “sinister coup”? What role do the superpowers China, USA and Russia play?

What is the role of the United Nations (UN), which has long had the NWO in mind? And what role in this dirty “game” has been assigned to the by no means independent World Health Organization (WHO)? Do we want to “drag” the current political system, seize power in the world and distract some of the world’s citizens from this geopolitical event? What is their aim?

During the height of the COVID-19 epidemic China's production apparatus for everything was almost shut-down. For deliveries that were still made, merchandise vessels were regularly and categorically turned back from many harbors all around the world. So, the west has tricked itself into a shortage-of-everything mode by waging a de facto "economic war" on China. How long will it last? – Nobody knows, but China's economy which was down by about half, has rapidly recovered to above 80% of what it was before the coronavirus hit. How long will it last to catch up with the backlog?

What is behind it all? – A total crackdown with artificially induced panic to the point where people are screaming "help, give us vaccinations, display police and military for our security" – or even if the public despair doesn't go that far, it would be easy for the EU and US authorities to impose a military stage of siege for "health protection of the people". In fact, CDC (Center for Disease Control in Atlanta), has already designed harshly dictatorial directives for a "health emergency".

Questions upon questions, to which we citizens and current "guinea pigs" demand an answer, in order to know what form of government or dictatorship is coming up in the near future and how we can react to it and how we have to arrange our lives.

*T*he word 'pandemic' bears a similarity to the word 'panic' and indeed 'pandemonium'. In fact 'pandemic' evokes an almost instant flush of fear in those easily manipulated by mass media, before any details have even touched the surface or context in which the word is being used.

Those who plan the major moves on the chess-board of covert human control know that by leading with the word 'pandemic' they have an instantly effective weapon at their disposal to psychologically weaken the resistance of individuals vulnerable to irrational and impressionistic mind sets.

So, in a world heavily conditioned by the proclamations of the mass media, the fear weapon has a huge psychological power. In the battle now raging for 'who controls the world', some of the largely hidden or disguised controlling agents of global power – are now appearing on the surface. And that's why chaos and fear are very much 'flavour of the month'.

However, what has become all too clear is the fact thatlarge numbers of people are being herded – and are not resisting. The scare tactics being employed are more dangerous than the virus that is the excuse for deploying them. Under this induced state of psychosis all manner of tricks can be perpetrated on mankind – and that is precisely what we are witnessing at this time.

Instead, it can be seen for what it is; a planned manipulation of the people and resources of this planet, whose main goading-tool consists of the well-rehearsed art of spreading fear and panic. And this, in turn, to undermine the rational and common sense based gift which we have all been blessed with from birth, and which – when in good order – can clearly see through the facade and hold the line of reason and truth.

Many have seen this 'order out of chaos' drama coming for years. The chaos bit is with us right now and very visible. The 'order' is to follow and consists in the emergence of a peace maker – or peace plan. Thus allowing for a little holiday period in which the weak kneed can rejoice at their survival and bless the emergence of the 'new order', under the authority of no matter who or what, so long as they can believe that the world has been saved from anarchy and ruin.

Every one of us whose knees have not turned to jelly and whose brains have not turned to mind controlled pulp, must take this moment to declare ourselves, boldly and resolutely with these four words "We do not consent".

Along with forced vaccination, who knows what would be contained in the cocktail of ''mini-diseases" injected, and what their long-term effects might be. Similar to those of GMOs, where all sorts of germs could be inserted without us, the commons, knowing?

We may indeed be just at the beginning of the implementation of ID2020 – which includes, forced vaccination, population reduction and total digital control of everybody – on the way to One World Order – and global financial hegemony – Full Spectrum Dominance.

After the pandemic has been officially declared, the next step may be – also at the recommendation either by WHO, or individual countries, **"force vaccination",** under police and/or military surveillance. Those who refuse may be penalized (fines and / or jail – and force-vaccinated all the same).

If indeed force-vaccination will happen, another bonanza for Big Pharma, people really don't know what type of cocktail will be put into the vaccine, maybe a slow killer, that acts-up only in a few years – or a disease that hits only the next generation – or a brain debilitating agent, or a gene that renders women infertile …. all is possible – always with the aim of full population control and population reduction. In a few years' time, one doesn't know, of course, where the disease comes from. That's the level of technology our bio-war labs have reached (US, UK, Israel, Canada, Australia…).

Another hypothesis, at this point only a hypothesis, but a realistic one, is that along with the vaccination – if not with this one, then possibly with a later one, a Nano-chip may be injected, unknown to the person being vaccinated. The chip may be remotely charged with all your personal data, including bank accounts – digital money. Yes, digital money that's what "they" are aiming at, so you really have no control any more over your health and other intimate data, but also over your earnings and spending. Your money could be blocked, or taken away – as a 'sanction' for misbehavior, for swimming against the stream. You may become a mere slave of the masters. Comparatively, feudalism may appear like a walk in the park.

It's not for nothing that Dr. Tedros, DG of WHO, said a few days ago, we must move towards digital money, because physical paper and coin money can spread diseases, especially endemic diseases, like the coronavirus. Was this a precursor for things to come? – Or for things already here? – In many Scandinavian countries cash is largely banned and even a bar of chocolate can be paid only electronically.

Agenda ID2020

We are moving towards a totalitarian state of the world. This is part of Agenda ID2020 – and these steps to be implemented now – prepared since long, including by the coronavirus computer simulation at Johns Hopkins in Baltimore on 18 October 2019, sponsored by the WEF and the Bill and Melinda Gates Foundation.

VACCINATIONS, DIGITAL ID, AND
ID2020

What is the infamous ID2020? It is an alliance of public-private partners, including UN agencies and civil society. It's an electronic ID program that uses generalized vaccination as a platform for digital identity. The program harnesses existing birth registration and vaccination operations to provide newborns with a portable and persistent biometrically-linked digital identity. GAVI, the Global Alliance for Vaccines and Immunization, identifies itself on its website as a global health partnership of public and private sector organizations dedicated to "immunization for all". GAVI is supported by WHO, and needless to say, its main partners and sponsors are the pharma-industry.

The ID2020 Alliance at their 2019 Summit, entitled "Rising to the Good ID Challenge", in September 2019 in New York, decided to roll out their program in 2020, a decision confirmed by the WEF in January 2020 in Davos. Their digital identity program will be tested with the government of Bangladesh. GAVI, the Vaccine Alliance, and "partners from academia and humanitarian relief" (as they call it), are part of the pioneer party.

Is it just a coincidence that ID2020 is being rolled out at the onset of what WHO calls a Pandemic? – Or is a pandemic needed to 'roll out' the multiple devastating programs of ID2020?

This pandemic is rapidly becoming an international nightmare, and it appears that our freedoms are about to be restricted in ways that most of us never thought possible. Spain, Italy, and France have already entered the "LOCK DOWN" stage. How many other nations will follow? America and the world are on the verge of being locked down, and for many of us it truly will feel like we have been put in prison.

The answer to the question "WHO BENEFITS?" points to one family in the world – the Rockefeller family. They have the means, know-how, and the intent. Also, the Rockefeller Empire is running out of time; they have to work fast, and

implement their “Fortress America “game-plan, before their economic and geopolitical rivals get too strong.

Please read the soon to be published article, called “How the Rockefellers Trumped the World”, in order to understand the last paragraph better. We do, indeed, live in interesting times.
